

This list contains the names and dates of membership of the current members of RDTA as well as past members who have contributed to the process and success of our organization. Of course everyone who has ever been a member has contributed in their own special way, but this list has been condensed in order to make it more manageable. Any other information may be obtained from the historian. The founders are designated by one star (*), and charter member by two stars (**); current members are in blue boldface. If you find any errors, please contact the Historian or the Webmaster.
